

YOUNG SCHOLARS SKILLS AND ENRICHMENT BEFORE AND AFTER SCHOOL PROGRAM

Welcome to Young Scholars!

Young Scholars Skills and Enrichment camps and programs are in its 12th year of service in the Charlotte area. Our program and staff are committed to nurturing each scholar's personal growth in spirit, mind and body. The purpose of our enrichment program is not only to provide a safe and caring environment for your children, but to also support their academic growth and extra-curricular skills, between the end of the school day and home.

Safe Learning Environment

Our first priority is the safety and security of students and staff. Scholars will be checked in and confirmed daily. They will need to be checked out by a parent or guardian.

Technolgooy

Scholars have access to technology for individual enrichment and special activities.

After School Snack

We provide our scholars with daily snack before we start homework and enrichment.

4 Core Values

Caring
Respect
Honesty
Responsibility

Aligned with the UCCS Calendar

Our program follows the UCCS calendar. When UCCS has school, afterschool programming will be provided. We will provide service on the half/early dismissal day.

Teamwork and Communication

We are proud to be able to create partnerships with our students and families. We work together to meet goals focused on student academics.

Study Materials

Our programs follow the "7 Habits of a Happy kid" – Sean Covey. Every afternoon we will "Begin with the End in Mind". Students will understand we will, "work first, then play".
